# BOYS' BASKETBALL

The 2006-2007 Harbormen boys' basketball team was a young and exciting team. The team was led by senior captains Kevin McCluskey and Ryan Lally. Highlights of the season came when the squad handed Scituate their only league defeat of the season in a thrilling 69-64 over-time victory at home. Another memorable game also occurred at home when the team knocked off Silver Lake 62-53. At the time, SL was a senior laden 7-1 team who was in the midst of battling Scituate for Patriot League supremacy.

The team was outsized throughout the season. To compensate for their lack of size they were able to utilize their team speed, quickness, and determination to compete at a high level. With many exciting players in the program, the future for the team looks bright.

# GIRLS' BASKETBALL

The Girls' Basketball team had a great season and finished in second place in the Patriot League, with a league record of 8-3. The team's overall record of 13-6 earned them the #4 seed in the tournament. The team was led by a strong group of six seniors including co-captains Jackie Burke and Abby Harris. The girls had a huge week with great wins over Patriot League rivals Hanover and Rockland. Senior night's big win against Scituate was another night to remember. Seniors Jillian Watts and Jen King provided consistent scoring all season long. Fellow senior Kathleen Mulligan controlled the offense, while senior Gina Orlando anchored the team on the boards. Although the team was senior filled, the upperclassmen have provided glimpses of the winning seasons to come ...You know!

# GIRLS' WINTER TRACK

This indoor track season the girls went undefeated in the patriot league and were runner ups at the State Championships, led by captains Abbey Glenzel, Tina Meade, Krista Vreeland, and Anna Uretsky. Senior captains Uretsky, Glenzel, and Meade along with junior Maggie O'Connell, sophomore Shauna McNiff, and freshmen Molly O'dea and Julie Nielson were Patriot League All-Stars. Highlights of the season include the 4x800 of O'Connell, Caryn Miller, Kenzie Lussier, and McNiff breaking the meet record at states, the 4x200 (Uretsky, Glenzel, Steph Boss, O'Dea) and McNiff going to New England's! Good times at the pasta parties, on the bus rides, the track sleepover and spending hours at Reggie, (home away from home). Lemme see if you can RUN IT!

Every Wednesday night, the Improv Troupe got together for some quality improvisation. The Drama Club also stayed super-busy offstage with a variety of activities, including a welcome barbeque, the bottle-and-can drive, laser tag, the Lock-in, and the highly-anticipated annual trip to New York City. ## **“WELCOME TO THE FRIDAY SHOW.”**

It all happens on Friday at 8:52 a.m. - ten minutes of entertaining videos that feature the talented students and teachers of HHS. Students put together videos that highlight their sports teams' success, promote the upcoming play or HHS Idol contest. In addition, the Friday Show tackles local and national issues. Every week, students get together to plan out the show. Next they go out to conduct interviews and film. Finally, they edit everything together into a 3-minute video. Some students get involved just in being a weekly announcer for the show. But by Friday morning, it's always time to turn on your T.V. to watch "The Friday Show."

Make sure to get that close up!

We're on in 5....4....3....

As a bee seeks nectar, from all kinds of  
flowers,

Seek teachings everywhere.

Like a deer that finds a quiet place to graze,

Seek seclusion to digest all that you have  
gathered.

Like a mad-one, beyond all limits, go where  
you please,

And live like a lion, completely free of all  
fear.

A team of French doctors removed a cyst from a man's arm in a 10-minute mid-air surgery used as a feasibility study for possible surgery in space. The five-doctor team operated in near zero-gravity conditions produced by an Airbus 300 looping to create interval dives simulating weightlessness.

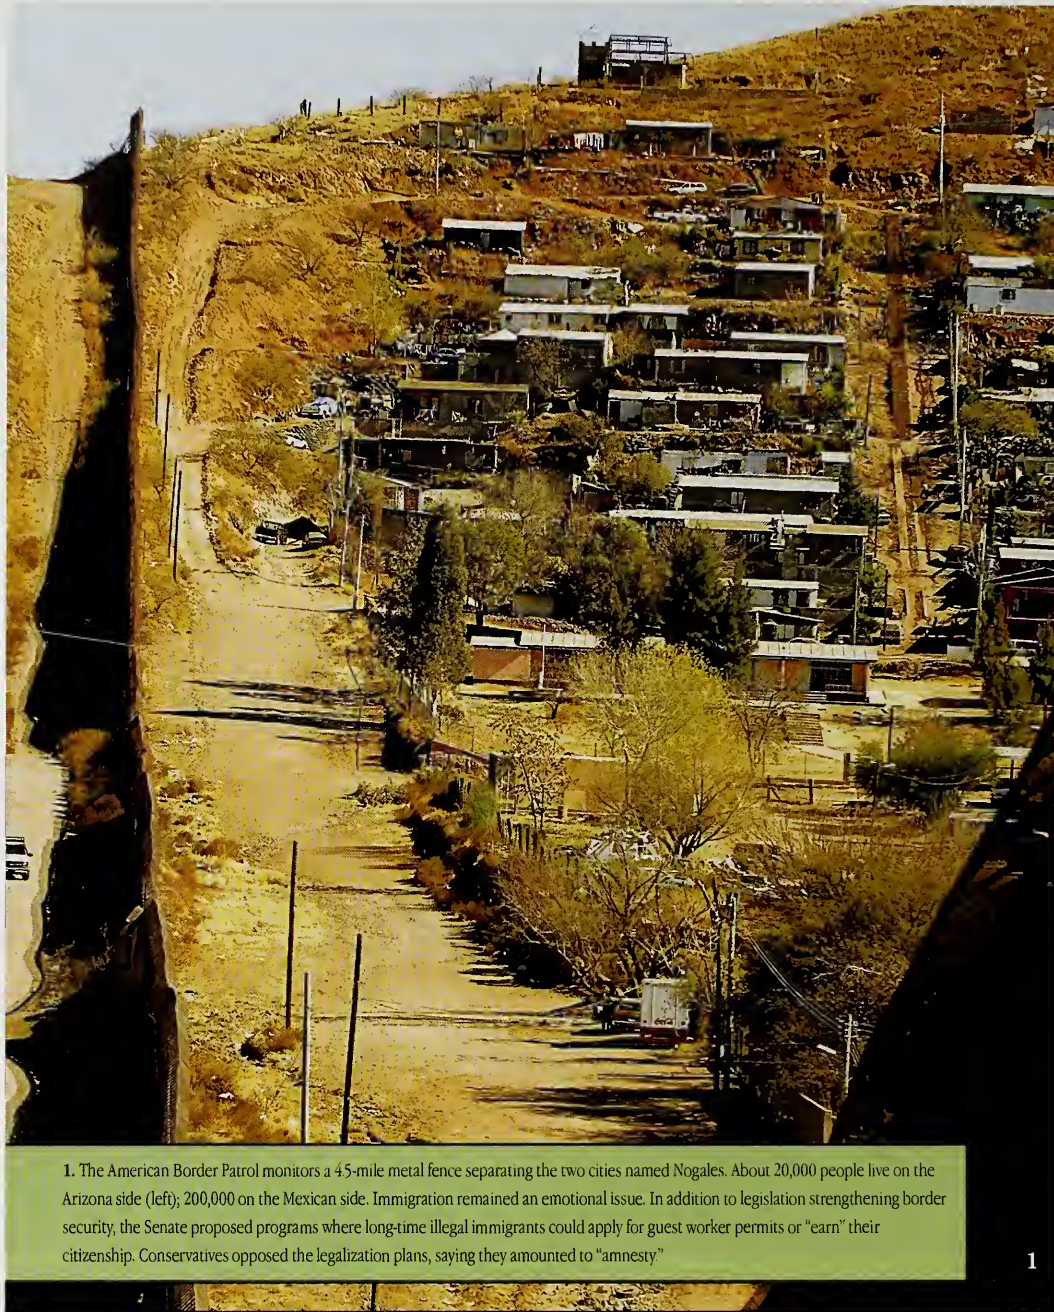

A Kansas teenager racked up perfect scores on the ACT and SAT. Jakub Voboril of Wichita got a 36 on the ACT on his third try. He received his SAT results shortly after the perfect ACT score: a perfect score of 2400. He did check out test prep books, but his advice: "Pay attention in class."

The baiji, a rare, nearly blind white river dolphin, is effectively extinct. Researchers say pollution and overfishing in the Yangtze River caused the species' demise. Plus, ship traffic there confused the sonar the baiji used to find food.

Houston truck driver Tyrone Williams was spared the death penalty and sentenced to life in prison for his role in the nation's deadliest smuggling attempt – a journey that ended in the deaths of 19 illegal immigrants crammed into a sweltering tractor-trailer, after Williams abandoned them and the rig.

1. The American Border Patrol monitors a 45-mile metal fence separating the two cities named Nogales. About 20,000 people live on the Arizona side (left); 200,000 on the Mexican side. Conservatives opposed the legalization plans, saying they amounted to "amnesty"

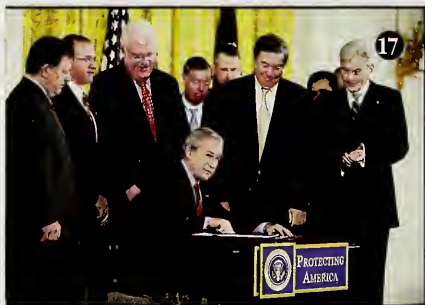

2. Congressman Bob Ney, R - OH, pleaded guilty to federal criminal corruption charges and announced he would not seek re-election.

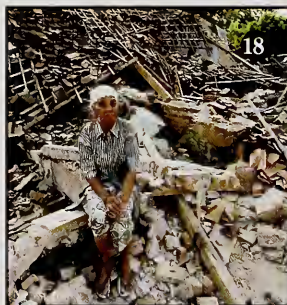

7. January was warmer than usual in many parts of the country. Punxsutawney Phil predicted an early spring on Groundhog Day, but bitter cold, days of ice and as much as 10 feet of snow (in parts of upstate New York) typified February.

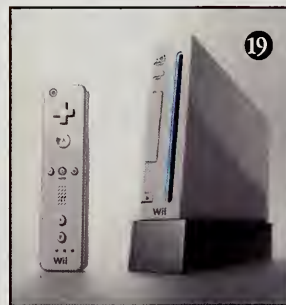

13. Animal rights activists were up in arms when more than 50,000 dogs were slaughtered in China in a government-ordered crackdown after three people died of rabies. Only military dogs and police canine units were spared.

Concentration camp and incarceration records would be the first Nazi documents released under a plan to make millions of files stored in Germany accessible to Holocaust researchers. Holocaust survivors have waited decades to see records meticulously kept by the Nazis; transport documents and death lists, and notes on concentration camp inmates ranging from their hereditary diseases to the number of lice plucked from their heads are included.

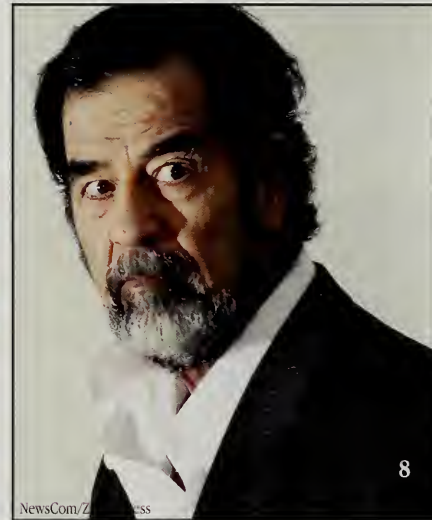

At 14, Michael Perham, from Potters Bar in Hertfordshire, England, became the youngest person to sail solo across the Atlantic Ocean. He arrived in Antigua in January, seven weeks after setting off on the 3,500-mile journey from Gibraltar aboard the 28-foot boat, Cheeky Monkey.

Three climbers stranded after a fall on Oregon's Mt. Hood were rescued in February after spending the night amid ferocious winds and blowing snow. In December, three members of a climbing party perished on the 11,239-foot mountain when the group became separated. After 10 days, searchers recovered one of the bodies in a snow cave and called off their work as another winter storm approached the area. The other climbers were presumed dead.
